Welcome to Premier Endoscopy. We hope to make this a positive experience for you.

To insure that this occurs we are asking you to follow the following guidelines:

- 1. Follow the orders from your physician concerning your preparation for the procedure.**
- 2. It is important to have someone to take you home to insure your safety after having an anesthetic. A taxi will not be permitted.**
- 3. All jewelry is to be left at home. We cannot be responsible for your valuables.**
- 4. We do not always have your medication lists available to us. Please have updated list of current meds, dosages and medication schedule. We also need your allergies.**

We at Premier Endoscopy will do everything possible to see that your designated time for your procedure is kept. Unfortunately, emergencies do occur which can lead to your procedure being delayed.

We look forward to providing excellent care during your visit.
