Welcome to Premier Endoscopy Center. We hope to make this a positive experience for you.

To ensure that this occurs, we are asking you to follow the following guidelines:

- 1. Follow the orders from your physician concerning your preparation for the procedure.**
- 2. It is important to have someone to take you home to make sure you safely arrived home after having an anesthetic. A taxi/uber will not be permitted (unless previous arrangements have been made with office)**
- 3. All jewelry is to be left at home. We cannot be responsible for your valuables.**
- 4. We do not always have your medication lists available to us. Please have updated list of current meds, dosages, and medication schedule, along with a list of your allergies.**

Please keep in mind that we will do everything possible to see that your designated time for procedure is kept. Unfortunately, emergencies do occur which can lead to your procedure being delayed.

We look forward to providing excellent care during your visit.
